"Freedom is never more
than one generation away
from extinction. We didn't
pass it to our children in
the bloodstream. It must
be fought for, protected
and handed on for them
to do the same."

"Wearing a mask when it is not medically necessary is grotesque and unhuman, an attack on society itself. It feeds paranoia and fear. You are treating air like it is toxic and other humans like they are nothing but vessels of disease, It is disgraceful, arrogant, and offensive." ~Matt Walsh
